Boliden publishes Annual and Sustainability Report 2018

Boliden's Annual and Sustainability Report for 2018 is now available at www.boliden.com.

Boliden's Annual and Sustainability Report 2018 highlights the metals needed for a sustainability society as well as the development of the company during the year. The printed version of the Annual and Sustainability Report will be available from 26 March and distributed to the shareholders who have requested it.

In addition, a sustainability index according to GRI's G4 guidelines has been published.

This information is such that Boliden AB is obliged to make public pursuant to the Securities Markets Act. The information was submitted for publication at 08.30 CET on 8 March 2019.
