Boliden publishes Annual and Sustainability Report 2020

Boliden's Annual and Sustainability Report for 2020 is now available at www.boliden.com.

Boliden's Annual and Sustainability Report 2020 highlights the company's new vision to be the most climate friendly and respected metal provider in the world as well as the newly established corporate values. The printed version of the Annual and Sustainability Report will be available from 30 March and distributed to the shareholders who have requested it.

In addition, a sustainability index in accordance with the Global Reporting Initiatives (GRI) Standards has been published. It also includes Boliden's communication on progress (COP) in relation to the UN Global Compact's ten principles as well as the disclosure to the Task Force on Climate-related Financial Disclosures (TCFD).

This information is such that Boliden AB is obliged to make public pursuant to the Securities Markets Act. The information was submitted for publication at 09.00 CET on 10 March 2021.
