Boliden publishes Annual and Sustainability Report 2023

Boliden's Annual and Sustainability Report 2023 is now available at www.boliden.com.

The report highlights the company's development and performance within areas such as productivity, investments, and sustainability. The theme of the report is Metals made in Europe.

The printed version of the Annual and Sustainability Report will be available from April and distributed to the shareholders who have previously subscribed to printed publications.

Boliden has also published the Annual Report in Swedish in European Single Electronic Format (ESEF).

In addition, Boliden's audited Sustainability Index, in accordance with the Global Reporting Initiative (GRI) Standards, has been published. It further includes information in relation to the UN Global Compact's ten principles as well as disclosures according to the Task Force on Climate-related Financial Disclosures (TCFD). Since 2021, Boliden also reports in accordance with the Sustainability Accounting Standards Board (SASB) and the International Council on Mining and Metals (ICMM).
