Boliden publishes Annual and Sustainability Report 2024

Boliden's Annual and Sustainability Report 2024 is now available at www.boliden.com. It highlights how Boliden creates value and covers topics such as strategy, operations, sustainability and financial performance. The report's overhead theme is **A century of exploration and innovation**.

Compared with previous annual reports, the Annual and Sustainability Report 2024 is adapted for digital reading with a landscape format and clickable navigation. A printed version, available in April, can only be ordered from [Order Annual Report | Boliden](#).

The previously separately published Sustainability Index has been integrated into the sustainability section of the Annual and Sustainability report 2024.

Boliden has also published the Annual and Sustainability Report 2024 in Swedish in European Single Electronic Format (ESEF).

Metals for generations to come

Boliden's vision is to be the most climate-friendly and respected metal provider in the world. We are Europe's producer of sustainable metals and, guided by our values care, courage and responsibility, we operate within exploration, mines, smelters and recycling. We are around 6,000 employees and have annual revenues of approximately SEK 90 billion. The share is listed in the Large Cap segment of NASDAQ OMX Stockholm.
